

"The Jackal"

Боженко Артемий

Задачи

- Создание игры про пиратов
- Реализация её при помощи модуля пайгейм

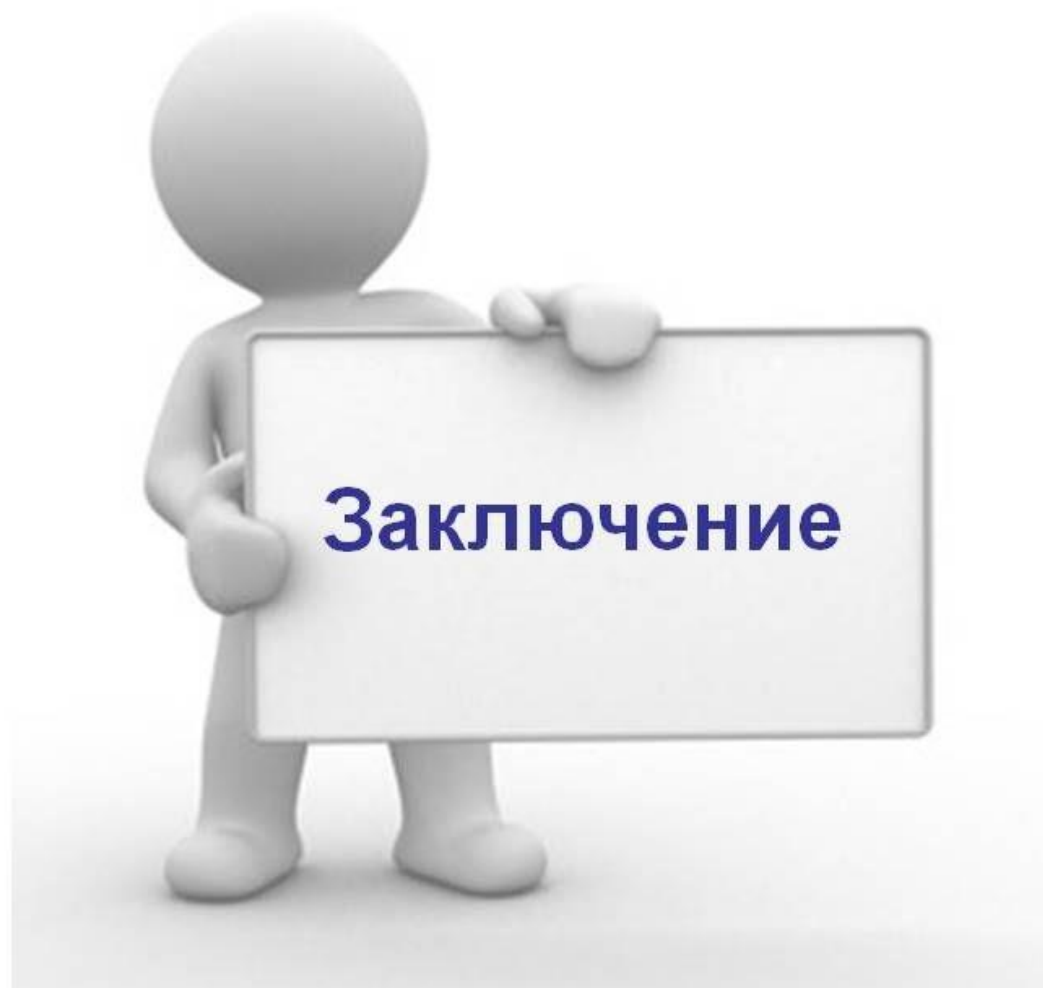

```
print 'Timer: ' + name + ' started '  
while repeat > 0:  
    time.sleep(delay)  
    print name + ": " + str(time.time())  
    repeat -= 1  
print "Timer:" + name + "com
```

Описание
проекта

```
def main():  
    t1 = Thread(target=timer, args=())  
    t2 = Thread(target=timer, args=())  
    t1.start()  
    t2.start()  
    print "main complete"
```

```
if __name__ == '__main__': # checks if program is being  
    main() # standalone
```

The image features a collection of incandescent light bulbs against a solid black background. One bulb, positioned in the upper center, is illuminated, appearing as a bright white circle. Below and around it are several unlit bulbs, their glass surfaces reflecting light and showing the internal filament structures. The text "Спасибо за внимание!" is overlaid in the center in a white, sans-serif font.

Спасибо за внимание!
